**ASE extends tender offers for SPIL**

Taipei, Taiwan, R.O.C., February 4, 2016 — In connection with the offer to purchase, for cash, up to 770,000,000 common shares (“**Common Shares**”) of Siliconware Precision Industries Co., Ltd. (“**SPIL**”), including those represented by American depository shares (“**ADSs**”) by Advanced Semiconductor Engineering, Inc. (TAIEX: 2311, NYSE: ASX) (“**ASE**” or “**we**” ), through concurrent tender offers in the United States (the “**U.S. Offer**”) and in the Republic of China (the “**ROC Offer**”), ASE announced today that it has extended the U.S. Offer until 1:30 a.m., New York City time, on March 17, 2016 (unless the U.S. Offer is further extended) and it has extended the ROC Offer until 3:30 p.m. Taipei Time, on March 17, 2016. The U.S. Offer had previously been scheduled to expire at 1:30 a.m. New York City time, on February 16, 2016 and the ROC Offer had previously been scheduled to expire at 3:30 p.m. Taipei Time, on February 16, 2016.

As of the close of business, New York City time, on February 3, 2016, approximately 89,774,676 Common Shares, including those represented by ADSs, which represents approximately 2.9% of the issued and outstanding share capital of SPIL, had been validly tendered and not withdrawn.

All of the other terms and conditions of the tender offers remain unchanged. The tender offers are conditioned upon (i) there being validly tendered in accordance with the terms of the ROC Offer, and not withdrawn prior to the expiration of the ROC Offer, 155,818,056 Common Shares, not including those tendered into the U.S. Offer or those represented by ADSs (representing approximately least 5% of the issued and outstanding share capital of SPIL) and (ii) the receipt of antitrust approval from the Taiwan Fair Trade Commission. Upon the satisfaction of the aforementioned two conditions, ASE will purchase the 770,000,000 Common Shares at NT\$55 per Common Share and NT\$275 per ADS cash consideration payable in the tender offers in accordance with the relevant laws and regulations. ASE submitted the antitrust filing for the tender offers to the Taiwan Fair Trade Commission on December 25, 2015, and has received the notification from the Taiwan Fair Trade Commission stating: “With respect to the filing of the merger of enterprises between Advanced Semiconductor Engineering, Inc. and Siliconware Precision Industry Co., Ltd., the Fair Trade Commission has accepted the application on February 2, 2016. Unless the Commission shortens or extends the review period, prohibits the proposed transaction or decides not to exercise its jurisdiction in writing, the participating parties may proceed with the merger on or after March 3, 2016”. Based on the above, ASE reasonably expects that the Taiwan Fair Trade Commission will permit ASE to engage in a combination with SPIL as early as March 3, 2016.

We urge holders of SPIL shareholders who would like to participate in the tender offers to tender your Common Shares or ADSs as soon as possible before the relevant expiration date.
